

ADVANCED REPERTOIRE OPTION
Started in 2005-2006

Advanced students, levels 9-12, may replace ONE of their usual repertoire pieces with a memorized group of pieces (minimum 3) from a larger work by a composer. Pieces must be chosen from the REQUIRED list and include, within the chosen opus, a variety of tempo, meter, texture, etc. The length must also be considered to remain within the evaluation time limit. This option makes it possible to include some works from the lower levels, while expecting a lengthier and more refined performance.
