Dear Teacher,

Congratulations on encouraging and supporting your student through Level 12A of the Arizona Study Program. This is a goal of high distinction! If your student is a **high school senior**, he/she will also receive the **JAMES ANTHONY LEVEL 12 AWARD**. This monetary award is given to high school seniors completing Category A of Level 12 with a performance rating of Superior, Excellent or Good, and a score of 70% or above on a *Level 12* theory test. The award will be determined by the different number of levels passed successfully at a Category A and the funds available. Students who have successfully completed an evaluation on all twelve levels of the Study Program in Category A will receive an award of \$500. (Note: a student may be evaluated in only one level per year.)

Please provide the following information for your Level 12A student(s). Include former teachers if he/she has been in the AZ Study Program before. Complete one form for each student.
