[CALL FOR POSTER PROPOSALS](#)

[Submission deadline: April 1, 2026 at 9:00PM MST](#)

The 2026 ASMTA Conference Program Committee invites proposals for poster presentations that align with the theme **Peak Performance**. This year's conference is dedicated to the intersections of music, education, psychology, and science with the aim of using developments in these fields to improve our teaching and performance practice.

Session proposals may address, but are not limited to:

- The science of learning
- Performance/sports psychology
- Developmental psychology
- Reaching adult learners
- Working with neurodivergent students
- Musician's health and wellness
- Injury prevention and rehabilitation

Poster acceptance results will be announced in early April 2026. All accepted presenters must be available to present on any day during the Conference (May 28, May 29 & May 30, 2026). The Program Committee cannot accommodate special requests for presentation dates and times.

To submit a poster proposal, please be prepared to type or paste the following in the online form at the link below:

- Presenter(s) Name(s) & Contact
- Poster Title
- 250-word proposal summarizing the content of the poster
- 35-word description for the program booklet
- 100-word Presenter(s) Biography (*combined bio for co-presenters & panelists*)

NOTE: If accepted for presentation, please be prepared to provide a high-resolution headshot. Co-presenters may provide a group photo, if available, or separate headshots for each presenter/performer/panelist.
